Let me tell you 'bout the birds and the bees
And the flowers and the trees
And the moon up abo-ove
And a thing called lo-o-ove

Let me tell you 'bout the stars in the sky
And a girl and a guy
And the way they could ki-i-iss
On a night like thi-i-is

When I look into your big brown eyes
Well it's so very plain to see-ee-ee-hee-ee
That it's time to learn about the facts of life
Starting from A to Zee

Let me tell you 'bout the birds and the bees
And the flowers and the trees
And the moon up abo-ove
And a thing called lo-o-ove

When I look into your big brown eyes
Well it's so very plain to see-ee-ee-hee-ee
That it's time to learn about the facts of life
Starting from A to Zee

Let me tell you 'bout the birds and the bees
And the flowers and the trees
And the moon up abo-ove
And a thing called lo-o-ove

Well let me tell you 'bout the birds and the bees
And the flowers and the trees
And the birds and the bees
And the flowers and the trees
And the birds and the bees [fade]
