What's that playin' on the radio
Why do I start swayin' to and fro
I have never heard that song before
But if I don't hear it anymore

It's still familiar to me
Sends a thrill right through me
'Cause those chords remind me
Of the night that I first fell in love too

Those magic changes, my heart arranges
A melody, that's never the same
A melody, that's calling your name
And begs you please, come back to me, please, return
to me

Don't go away again
Oh, make them play again
The music I wanna hear is once again
You whisper in my ear, oh, my darling

I'll be waiting by the radio
You'll come back to me someday, I know
Been so long since our last goodbye
But I'm singin' as I cry

While the bass is sounding
While the drums are pounding
Beatings of my broken heart
Will rise the first place on the charts

Oh, my heart arranges, oh, those magic changes
Oh, yeah
