I woke today  
Inside the train of dreams  
The rain poured down in  
Black and white

I stood and stared  
The rest of what remains  
My own world  
Crumbling around

I held my tears  
One day comes after another

The falling rain  
Caressed my skin again  
Just let it flow to wash away

The time gone by  
Feeling long denied  
My heart is no more  
Bound in vain

And now its clear  
One day leads on to another  
I dried my tears  
There's so much else to discover  
Somewhere

I hear the sound  
Of thousand voices  
I lost my innocence  
I'm on my way  
Across the desert  
To rescue what I sent  
Out of my heart and way

[solo]

Now it's clear  
One day leads on to another  
To find our fears

Find the way back to each other

oh

I hear the sound  
Of thousand voices  
I lost my innocence  
I'm on my way  
Across the desert  
To rescue what I sent  
Out of my heart

I hear the sound  
Of thousand voices  
I lost my innocence  
I'm on my way  
Across the desert  
To rescue what i sent  
Out of my heart and way
