Some people get by  
With a little understanding  
Some people get by  
With a whole lot more

I don't know  
Why you gotta be so undemanding  
One thing I know  
I want more

And I need all the love that I can't get to  
And I need all the love I can get  
And I need all the love that I can't get to

D'you get scared to feel so much?  
To let somebody touch you?  
So hot, so cold, so far  
So out of control  
Hard to come by, and harder to hold

Some people get by  
With a little understanding  
Some people get by  
With a whole lot more  
I don't know  
Why you gotta be so undemanding

I want more  
And I need all the love I can get  
And I need all the love that I can't get to  
And I need all the love I can get  
And I need all the love that I can't get to

There are parts of me that don't get nervous  
Not the parts that shake  
You won't get what you deserve  
You are what you take

Learning to cry for fun and profit  
I'm not done yet  
Counterfeit dollars or

The English zloty  
Anything I can get

I want more  
And I need all the love I can get  
And I need all the love that I can't get to  
And I need all the love I can get  
And I need all the love that I can't get to

I want more
