"Trail Of Tears"

Not for a day
Not for a while
You run alone you're never satisfied
Oh you've been dreaming
For a hundred years

So you began
To understand
That your lifetime is
Running through your hands
Who will forgive you for this trail of tears?

There you go out

Someone to love
Easy to find
Fulfill your heart's will
blew of many kinds
Only will change it for
It's train of shore

There you go
Hearing voices and noises to go
There you stand
Back in time every hour once begin
There you walk and then

[solo]

After a shock
Time to recompose
No bleeding heart
So the screamings that you feel

Who will forgive you for this trail of tears?

There you go
Hearing voices and noises to go
There you stand
Back in time every hour once begin
There you walk my friend
