It's a day  
You wanna go there willin out it's okay  
Sho'em what you got and pop that body  
Popper krumper do ya thang It's a day, it's a day

It's a day  
You wanna go there willin out it's okay  
Sho'em what you got and pop that body  
Popper krumper do ya thang It's A.G.N.E.Z

Suaraku, detak jantungku  
Membuatmu tergil - gila pada pesonaku  
Emosiku membawamu masuk dalam duniaku  
Tak usah kau ragukan dirimu  
Bawa saja jiwa dan semua imajinasimu

Suaraku, detak jantungku...  
Wait...guys, lemme do something different around  
here

It's my blood vein, it's my blood chain  
Dirty like blood stain, but I ain't gonna complain  
I ain't gonna pretend, I got you strained  
Now I'm in your brain  
Got yourself mad-brain, run you like a mad train

This ain't a game where you can pause and save it  
It's a Jumanji game where you've gotta play all day
