I've been on this road so many days  
I've .. I'm feeling alone  
Seems to be the lights ,, ,but their the same home  
Remember all, I think of you an I could falling, falling  
Even even tho it's raining I can keep on smiling

Cause I know I'm falling into you  
You're the one I fall with, we just keep on moving  
All I know it's I'm falling into you  
Let us be falling, falling, falling yeah  
.. no plane at all  
And take it a minute just give you my heart  
But you are there and I am here  
If you win ...  
When I'm alone, I think of you  
Even even tho it's raining I can keep on smiling  
Cause I know I'm falling into you  
You don't know where we're going  
We just keep on moving  
Now I know I'm falling into you  
So let's just be falling, falling, falling yeah, yeah, yeah  
So let's just be falling, falling, falling yeah, yeah, yeah  
Let's just be falling, falling,  
Let's just be falling, falling,  
If can keep you shining, you can keep me burning  
Yeah, yeah, yeah  
Well, we're not....  
I just new I was make for you  
Even even tho it's raining I can keep on smiling  
Cause I know I'm falling into you  
You don't know where we're going  
We just keep on moving  
Now I know I'm falling into you  
If can keep you shining, you can keep me burning  
Yeah, yeah, yeah  
When I saw the ... drifting out of your eyes  
I just new I was made for you  
So let's just be falling, falling, falling yeah, yeah, yeah  
So let's just be falling, falling, falling yeah, yeah, yeah  
Let's just be falling, falling,
