It's warm and dark
now we're alone
just the music in stereo.
Heart beats - skin to skin
you knew who was coming

Oh yes and she came -
Heart to heart - skin to skin
did you feel it? -
Lovers dancing.
Someone loves you
where to begin

Don't think you're losing when you're winning

You're winning again
winning again.

So you kiss her eyes
she's everything you dreamed of.
You feel her sights
don't want to wake up.
This heart's beating - her salt wet skin

You knew what was coming
oh yes and you came -

Heart to heart - skin to skin
did you feel it
feel it again?
Someone loves you
now you understand.
The drums are beating and you're dancing
you're dancing.

How do I explain this? I never was there on the station.
- Heart to heart -

So close your eyes - imagination

there's music playin' from the FM station

Hearts beat - salt wet skin

you knew what was coming
this is where we came m.

Heart to heart - skin to skin
can you feel it?
Yes we're dancing.
Someone loves you
can you understand?
Don't think you're losing when you're winning
with your one time man.
Heart to heart - skin to skin
heart to heart

your lovers dancing.
Heart to heart
your heart is dancing

Heart to heart
your spirit's dancing.
Heart to heart
the room is dancing.
Heart to heart
your mind is dancing.
