I am the crusher of all your gods and saviours. Bringer
of extermination,
Wielder of rage. Your old believes, patterns made of
lies, shall be erased
By the rise of new kind of misanthropic wrath.

The earth is scorched, as we dwell towards the gates
of our mortal
Existence. The twisted wheel of time is now ready for
the arrival of new
Kind of sovereign.

Say farewells to your precious memories. It's time to
enter a whole new
Reality, where pain is pleasure and pleasure is our only
passion.

I am the almighty the lord from the world of chaos.
Bringer of destruction
And grief, creator of new world... of worms.

Say farewells to your precious memories. It's time to
enter a whole new
Reality, where pain is pleasure and pleasure is our only
passion. The rush
Of torture in my veins... The shooting pain...

And behold the creation of unholy shall inherit the
throne that lies in this
New dimension of pain.

The earth is scorched, as we dwell towards the gates
of our mortal
Existence. The twisted wheel of time is now ready for
the arrival of new
Kind of sovereign.

Say farewells to your former images and believes. It's
time to enter a
Different kind of reality, where all your hopes and
fantasies are
Diversified in to nightmares.
