Again the dusk rapes the light and blood red vision
covers my sight. Again I
Fall into a realm where battles are fought, within my
mind. Forbidden,
Forgotten am I the last of my kind? The night is waiting
for me, it
Cherishes with it's might.

Lay your eyes up to the skies and behold the sight. The
stars have formed
Into a sign of Pentagram. Under this cursed sky you
shall combine your life
With mine.

I watch you trough the eyes of wolves. The choirs of
ravens it's my voice
You hear.

Oh, how I love the night I get my strength from it's
might. I cannot live in
The light of day I need the wine that runs through your
veins. This desire
That keeps me alive, it is and shall forever be my
guide.

Faceless but yet my only shelter: the dark. Here I
belong, I am designed for
Blood.

The dreams about house of God are all nothing but
lies. And now you will see
It with your own eyes. Take the flame, burn yourself,
see there's no pain.
The only thing inside your head is the lust for more and
more.

My days with God have never existed for I have failed
in his eyes. You won't
Dare to show me your face, father of lies.

I watch you trough the eyes of wolves. The choirs of
ravens it's my voice

You hear. I follow you until you are alone in the dark. I
will baptize you
With my desire for blood.

Faceless but yet my only shelter: the dark. Again I must
vanish in to the
Night.

Again the dusk rapes the light and blood red vision
covers my sight. Again I
Fall into a realm where battles are fought, within my
mind. Forbidden,
Forgotten I am the last of my kind? The night is waiting
for me, it
Cherishes with it's might.

My days with God have never existed for I have failed
in his eyes.
