And I
fell for you
You
fell for me
And I
fell for you
You
fell for me

And I
see you walking by
And I think about you all the time
And I
'Bout to catch my breathe
And I
wanna be close

And I
fell for you
You
fell for me
And I
fell for you
You
fell for me

And I
think I caught your eye
And I
wanna be by your side
And I
barely caught my breathe
And I
never want to say good-bye

And I fell for you
fell for you
fell for you
fell for you

And I
fell for you

You
fell for me
And I
fell for you
You
fell for me

And I
fell for you
You
fell for me
And I
fell for you
You
fell for me
