(Lonely summer)

(Lonely summer)

Oh, I hate to be alone this summer  
But that's the way it looks like it will be  
I should be planning picnics  
But don't look at me

I think that it will be  
(It will be)  
I think that it will be  
(It will be)  
A lonely summer for me  
(Lonely summer)  
Oh yeah  
(Lonely summer)

All through school  
I looked forward to the day  
When I can take and put my books away  
But oh how badly things turned out for me  
Yes, I know this is going to be  
(Lonely summer)  
Oh yeah  
(Lonely summer)  
Oh yeah  
(Lonely summer)

I won't care  
If every day it rains  
Because for me  
Every day will be the same  
And I know that I'm no good without her  
And this is gonna be  
(This is gonna be)  
This is gonna be  
A lonely summer for me

(Lonely summer)

Oh yeah

(Lonely summer)

Oh, I hate to be alone this summer  
But that's the way  
I should be planning picnics  
But don't look at me

I think that it will be  
(It will be)  
I think that it will be  
(It will be)  
A lonely summer for me  
(Lonely summer)  
Oh yeah  
(Lonely summer)

[To to fade]
