Everyday, I'm biding my time...
In your memory, in every way...
They're under my skin crawling savagely...
They'll cloud your eyes and everything you see...

Look at us sold and bought...
Evidence of ignorance...
Trying to out do ourselves...
Can it get any better than this?

Every page stole every breath...
Agitated monstrosities hide in the dark...
I know it makes you feel large...
Making me look so small...
I think we've out done ourselves...
Can it get any better?

Look at us sold and bought...
Evidence of ignorance...
Trying to out do ourselves...
Can it get any better than this?

Look we do what we're taught...
Evidence of ignorance...
I think we've out done ourselves...
Animals amongst ourselves...
You stole every crumb from us...
Took the time to make it known...

Look at us sold and bought...
Evidence of ignorance...
Trying to out do ourselves...
Can it get any better than this?
