ye panjere ba ye ghafas, ye hanjare bi ham nafas
shame man az boodane to, ye khaterast hamino bas
to in mosalase ghareeb setareha ro khat zadam
daram be akhar miresam, az onvare shab omadam

ye shab ke mesle marsiye kheyme zade ro bavaram
mikham to in sookote talkh sedatoo az yad bebaram
bezar ke koole baramo roo shoneye shab bezaram
bayad ke az inja beram, forsate mondan nadaram

daghe tarane too negam, shooghe residan to tanam
to hajme sarde in ghafas, montazere par zadanam

man az tabare ghorbatam, az arezohaye mahal
gheseye ma tamom shode ba ye alamate soal
