Bavaram nemishe dastat tooye daste man nabashan
Roo daro divare khoone garde tanhayi bepashan

To hamooni ke migofaty too donya

To hamooni ke migofaty ghalbam

Ba gharibe ashena she ba gharibe mehraboon she

To hamooni ke migofaty too donya
hichki mesle man peyda nemishe
To hamooni ke migofaty ghalbam
male to bashe vase hamishe
Male to bashe vase hamishe
