Bayad toro peyda konam
Shayad hanoozam dir nist
To sade del kandi vali taghdir bi taghdir bi taghsir nist
Ba inke bi tabe mano bazam mano khat mizani
Bayad toro peyda konam to ba khodet ham doshamani
Ki ba ye jomle mesle man mitoone aroomet kone?
On lahze haye akhar az raftan pashimoonet kone?
Degiram az in shahre sard
In koche haye bi obor
Vaghti be man fekr mikoni
Hes mikonam az rahe door
Akhar ye shab in gerye ha soye cheshamo mibare
Atret dare az pirhani ke ja gozashti mipare
Bayad toro peyda konam har rooz tanhatar nashi
Razi be ba man boodanet hatta az in kamtar nashi
Peydat konam hatta age parvazamo par par koni
Mohkam begiuram dasteto ehsasamo bavar koni
