Empty pockets never stopped
Me from singing a blue streak, no
And I don't think the devil's
Ever gonna give me back
I don't think so!
'Cause stayin' 'round here takes patience
It's like a full time occupation
I've become a diplomaniac
Yes I did, baby
Hey mean old gal
You know the cross-town bus just rolled
Yeah I'm the same old number
But we still got time to go
Wooh i said moma well im livein in a luxery yeah
wooh i said moma and a little aint enough for me no
No it ain't, no it ain't baby!
Yeah I'm believing that you needin' yoour relaxation
But honey tell me can you tell that story twice?
I don't think so mama!
Cause there's a function at the junction,
I think ya better get it all ready girl
See I was born without a silver spoon But I'm gonna
make a stir
Yes I am!
Was vaccinated with a phonograph needle
One summer break; and then I kissed her
On her daddy's boat and shot accross the lake
And was singin' it
Wooh i said moma well im livein in a luxery yeah
wooh i said moma and a little aint enough for me no it
ain't baby, no it ain't!
Mmmm, said a little ain't enough, baby!
Baby, PLEASE!! Little ain't enough, aw yeah, Wow!
Was vaccinated with a phonograph needle
One summer break Same summer that I kissed her
On her daddy's boat and shot across the lake Yeah!
Wooh i said moma well im livein in a luxery yeah
wooh i said moma and a little aint enough for me
Wooh i said moma well im livein in a luxery yeah
wooh i said moma and a little aint enough for me no
