Check the ol' buddy fill her up with ethyl  
'Cause I got a long drive in sight  
My baby just left me for a pool shootin' fella  
And I'm gonna bring her back tonight

Aw, he don't really need her and I know he's gonna  
feed her full  
Of promises he can't keep  
But I'm the one to blame 'cause I been drivin' her  
insane  
By stayin' out six nights a week

So buddy check the tires, I'll leave the engine runnin'  
'Cause I can't waste no more time  
I got sixty-three miles of two lane before I even  
Cross that Tennessee line

I know my baby needs me and I hope that when she  
sees me  
That she's gonna wanna come back home  
I let her slip away and that's the price you gotta pay  
But I ain't leavin' there alone

I'm bringin' her back  
Bringin' my baby back home  
Bringin' her back  
Bringin' my baby back home

So buddy take a ten don't worry 'bout the windows  
I can see enough to get me by  
Forget about the change, I don't need the money  
She's the only thing on my mind

Aw, heads will be a spinnin' when I cross the city limits  
'Cause she's been away from me too long  
So when the Sheriff's askin' if you've seen my car a  
passin'  
You can tell him just where I've gone

I'm bringin' her back  
Bringin' my baby back home  
Bringin' her back

Bringin' my baby back home

I know my baby needs me and I hope that when she  
sees me

That she's gonna wanna come back home

I let her slip away and that's the price you gotta pay

But I ain't leavin' there alone

I'm bringin' her back

Bringin' my baby back home

Bringin' her back

Bringin' my baby back home

I'm bringin' her back

Bringin' my baby back home

I'm bringin' her back

Bringin' my baby back home

Bring her back home, home, home

Bring her back home, home, home

Bring her back home, home, home

Bring her back home, home
