Knock, knock  
Daddy's home  
Out where the west begins  
That's where we're goin'

Power slide ain't ya heard?  
How fast you're willin'  
To go into a curve  
500 horses and a chrysler mill  
Makes me king of the hill  
Guns and guitars  
Bikinis and fast cars  
Slide behind the wheel

Go!  
Back and forth  
Back and forth  
Back and forth  
Sideways  
Upside down

I'm normally insolvent  
It shouldn't cause a problem  
With my hot pursuits  
Why don't you shut up  
Get in my pick-up  
Hey were's your get up and go?
