Talk about the high cost of lovin'
I think I hear freedom drummin'
It seems
Give me your heart
And I'll give you the stars
"Yeah right", she says
"Maybe in your dreams"

(pre-chorus)
Heat wave blast, kids are screamin'
Pavement's hot (and the) sidewalk's steamin'

Thinkin' 'bout you and me
Hello - Goodbye

(chorus)
You can jazz it up or play it slow

(pre-chorus)
Put the top down, hit the road
I sing the only song we know
It's 2 a.m. the traffic's slow

(spoken)

So it must have been two other people

(chorus)

Well it ain't much all right I know
But it's the only song I know
2 a.m. and the traffic's slow
Another ladie's nite in Buffalo
