An armed assailant
A farmer's daughter
Texas pavement
An angry father
Sometimes a straight line
And then
Sometimes you wander

My first time in the spotlight
Was from a helicopter
Call the boss of bigtown
Get the riot squad
Tell your star reporter
That he's got himself a job
But no prob bob and murphy
Are two comedians
A little luck and attitude
Cowboys and injuns

Hey we ain't playin'
This wild frontier
Can kill you on occasion
From broadway to cheyenne
Aces wild yes we am
Say hello to my best friend

Little texas
Ride to live, live to ride
Let 'em roll one more time
Always keep her by my side

Little texas
Unimpressed a great degree
With a serious pedigree
If i get into a fix
Jump little texas in the mix
Produce it, better use it
If i produce it
Someone's leavin'
I'm a real nice guy
But little texas keeps things even
