Street Life, Night Life
Sex Life, Wild Life
You're Breathin' It
(Street Life)
We burnt the city down here
Late last night
(Night Life)
Dante's inferno meets the Price is Right
(Sex Life)
A lot like in the movies
And it smelled like vicory
(Wild Life)

I barely made it through
With some new shoes and a few CDs
Atmosphere
Are ya scared?
It makes you laugh
It makes you cry
It makes you piss

Don't have a heartattack
StreetLife, Night Life
Sex Life, Wild Life
You're Breathin' It
(Street Life)
I saw this TV show on toxic waste
(Night Life)
Just when I'm gettin' kinda used to the taste
(Sex Life)
Now I don't mind some danger
So, I took a little hit
(Wild Life)

And now a message 'bout the ozone layer
You're Breathin' It
Atmosphere
Are ya scared?
It makes you laugh
It makes you cry
It makes you piss

Don't have a heartattack
StreetLife, Night Life
Sex Life, Wild Life
You're Breathin' It
And if you think that violence
Never solved a thing, I differ
It solved some crackhead dealer
Down on 14th street much quicker
Explosions way uptown
And if you're wondering where our homeboy is 'bout
now

(You're Breathin' Him...)
Start spreadin' the news
I'm leavin' today
I'm gonna be a part of it
In old New York
These vagabond shoes are ready to stray
If I can make it there
I make it anywhere
New York, New York
