What Comes Up Must Come Down
Yeah my feet don't touch the ground
See the world spin upside-down
A mile graspin' out of sound

I can feel your every rage
Step aside our troubled phaze
Breakin' through your crazy maze
Like a lazer beam, my eyes on U

Watch me
Blow the light away
Watch me
Save the day
Feel the
Storm again
And we'll take away

Sonic Heroes
Sonic Heroes
Bind U, confine U
Inflying your reign
Sonic Heroes
Sonic Heroes
Savin' the states 4 a heroe's parade
Sonic Heroes
Heroes Heroes

Give us a reason and we're on our way

(Electric Guitar and Bass Guitar solo)
