The gates of hell await you unsuspecting child  
Wake up screaming, do you think the sun will ever rise?  
Another nameless victim of this dark belief  
Another voiceless hero dying in your dreams

Crucifixion, Dark religion  
Death and hell and sacrifice  
Live in fear of eternal torment  
Never seen by mortal eyes

When the sun goes down  
Who waits in your dreams  
Who will to save your soul  
Will anybody hear you scream?

DARK MESSIAH  
Hear my name  
DARK MESSIAH  
Die in flame

See their faces in the darkness  
Devils, Demons sight unseen  
Magic, mystery, ritual  
Satan and his ministry

When the sun goes down  
Who waits in your dreams  
Who will save your soul  
Will anybody hear you scream?

DARK MESSIAH  
Hear my name  
DARK MESSIAH  
Die in flame

Child close your eyes  
There's no need to cry  
This is the fear we live by  
This is your ancient lullaby

Don't forget to say your prayers  
He can find you anywhere

Listen to what the scriptures say  
Or he will come and take you away...
