Eyesight aims at victim  
Shooting crowds...  
Crowds of faithful people in day, by night  
Dogs with fish tails...  
Cross of illusion, false, survival  
Greed, artlessness, stupidity, lack of courage...  
Everywhere you look -- hybrids  
Hybrids of society...  
Cross of illusion...  
"People with goat's thighs and horns on head"  
Confusion!...  
Universe rolling look  
Look shooting crowds  
Crowds of faithful people in day, at night  
Dogs with fish tails...
