[Lyrics by: Luis Goulão]

Darkness arises at sunset  
Lambs of light to eliminate

By the moonlight  
The stalkers walk to perdition  
Into the devil's pit  
At the graves for desecration

By the crimson lights of the moon  
The stalkers walk into perdition  
Into the devil's pit, the whore awaits  
At the graves for desecration

They fight not only one beast  
But legions that go on age after age  
Feeding on the blood...  
Feeding on the blood of the living!

[Chorus]  
She lives beyond the grace of God  
A wanderer in the outer darkness  
She is Vampire, Nosferatu  
Growing strong and becoming immortal

"Come to me...  
Leave these others and come to me  
My arms are hungry for you...  
My arms are hungry for you!"

[Chorus]

"We wave Christ and His holy blood  
We are strong in the Lord  
And the power of His might...  
The power of God is upon us!"

I bring you from shadow, into the light  
I cast you out, the Prince of Darkness... Into Hell!

One moment's courage and it's done  
Take the stake in the left hand  
Place the point over the heart  
Then in God's name you shall strike!

[chorus rep 4x]
