Solo: Andre La Fistic

You're a dream of years ago, just the only one
I was living for the sun 'til you broke our love
Only shadows on the wall, I can't believe it all
Still I'm waiting for your call but the hawk has flown

Now I'm living for the night, will I never know
If you're trying to recall, tell me why you're gone

My tears are falling
Gone with the wind
You'll never fly with me

Solo: Andrew/Andre

Dreams are rising to the sun of my life
Silver heroes fly
Riding to that land we shall arise

Solo: Andrew Mc Pauls

Stand in front the man is waiting
Stand in front the mask is falling
No, you can't be real, you're nor a part of me
Stand in front the man is waiting
Stand in front the mask is falling
No, you can't be me, you can't be me

Solo: Steve/Andre
Steve/Andre/Andrew

Will I live or will I die

Solo: Andrew/Andre

Alright, I'll die
Echoes in the sky

Solo: Wild Steel

Dreams are rising to the sun of my life

Silver heroes fly
Riding to that land we shall arise
