Shadow:

Open your eyes I'm the king of the island
I live between dark and moonlight
I'm made of shadows and this is my kingdom
I'm the lord of the windows
I want to know why you're looking for answers
See the pictures are changing
I know you're coming to conquer the secret
I'm waiting over the land

Man:

Tell me where is my time
Lead me under your sign
Tell me where is my time
Lead me under your sign

Shadow:

This is you and I see

Man:

I believe, I believe

Shadow:

There's a light on your way
Be welcome in the room to play

Man:

The wind is crying over the sky
Calling the season of twilight
I want to know why the reasons are falling
I feel the shadows are growing

Shadow:

Over and over you will know the secret and
You will break in the kingdom
I know tomorrow you will burn away
I'm waiting for you today

Man:

Tell me where is my time
Lead me under your sign
Tell me where is my time
Lead me under your sign

Solo: Steve/Andrew/Olaf
Andrew/Olaf/Andrew/Andre

Man:
How many changes, I know the secret
I see the pictures, how many stories untold
A dawn of winter, I play with myself
I'll close the window, there's no tomorrow for me

Will I find the key to go
Through the gates of a new world
Many ways, so many doors
I won't knock on everyone

Man:
Tell me where is my time
Lead me under your sign
Tell me where is my time
Lead me under your sign
