Baby, somehow you seem to glow
Take me where history unfolds, whoa

I have a blacklight
It makes her radiant
I love my blacklight
My girl's fluorescent

Summer of love
One you might have missed
Peace and love and harmony
At a flick of my switch

I have a blacklight
It makes her radiant
I love my blacklight
My girl's fluorescent

Foxy lady
Come under, get here

I have a blacklight
It makes her radiant
I love my blacklight
My girl's fluorescent

I love my blacklight, oh
I love my blacklight, yeah, yeah
