Talk about meanwhile back at the ranch
The ugly ducklings learn to dance
Spirits risin' might be more
Gonna blow this whole town out the back door

Give 'em hell tonight
Go west young man, alright
We'll burn the bridges if we please
Or forever you can hold my peace

A little taste I can't stop
Tastes as sweet as soda pop
All dressed up and ready for the top

Yes, I got to have it
Got to have it, got to have it
And that's my bottom line
I got to have it
Got to have it, got to have it
And that's my bottom line

You wanna feel 100 proof
I have news for you
Seen some folks fall and a couple fly
And some of them just dies

Ain't nothing's once upon a time
Got a rosy future and a big behind
Might get lucky, never mind
I hear beginners do it all the time

I got to have it
Got to have it, got to have it
And that's my bottom line
I got to have it
Got to have it, got to have it
And that's my bottom line

Yes, I got to have it
Got to have it, got to have it
And that's my bottom line
I got to have it

Got to have it, got to have it
And that's my bottom line
Yes, I got to have it
Got to have it, got to have it
And that's my bottom line
