INTRO:

14)

Well east coast girls are hip
I really dig those styles they wear
And the Southern girls with they way they talk
They knock me out when I'm down there
The midwest farmer's daughters
really make you feel alright
and the northern girls with the way they kiss
they keep their boyfriends warm at night

30)

I wish they all could be California
I wish they all could be California
I wish they all could be California girls

38)

The west coast has the sunshine
and the girls all get so tanned
I dig a French bikini on Hawaiian island Dolls
by a palm tree in the sand
I been all around this great big world
and I've seen all kinds of girls
Yeah but I couldn't wait to get back in the states
Back to the cutest girls in the world

54)

I wish they all could be California
I wish they all could be California
I wish they all could be California girls

62)

Oh Baby | : girls

(I wish they all could be Californian) F A D E O U T
