Just like the army
I was bein' all I could be
I was feelin' next to awesome
In my cleanest dirty jeans

She said
"Honey read the small print
If ya wanna be with me
When it comes to you and fashion
You're a totally emergency"

Right up the middle
Touchdown and that's the game
Extra point and you're never the same
Tight as a fiddle string
Shot right through the brain
Graspin' straws an' that ain't all
You'll slip right down her drain

Drop at a time is all ya need
Try it once but easy does it
Satisfaction guaranteed
Try it twice, ya gotta love it

Drop at a time is all ya need
She said, "Look, just don't touch it"
You don't want more drop in the bucket

She wore a whole lot of not enough
And served it up with class
Had a sunny disposition
And a somewhat shady past

Her t-shirt ended early
And her hot pants started late
When it came to vice and versa
No I did not hesitate

Right to the action
For a bird's eye view of the play
There ain't a promise that you won't make
Hike, and keep passin' and ya play it with a little pain

You came here for some love and war
So suit up for the game

Drop at a time is all ya need
Try it once but easy does it
Satisfaction guaranteed
Try it twice, ya gotta love it

Drop at a time is all ya need
She said, "Look, just don't touch it"
Well, here come one more drop in the bucket

Here come one more drop in the the bucket
Got to get it one more
Here's some [Incomprehensible] drop in the the bucket
[Incomprehensible]

Here come one more, got to get one more
Here come one more drop in the the bucket
