I see ya shake and shimmy
Cross the burger shop floor
I never seen a woman move so slow

I'm dyin', french-fryin'
By the seat of my pants
Take a bite of double fries
Swear to God it make ya late for the dance

Here's one for the road
One shot for the real go-getter
Silly rabbit, you know just what it takes

A hot dog and a shake
That's what you're hungry for
A hot dog and a shake

My stomach's makin' noise
We're having dinner late
'Cause I gotta be kept in a cool dry place

Just like any bowl of cherries
When the cream is risin' to the top
You find your real bottom line is when your
Spine snap crackie and pops, pal

Give me one to go
Hey buddy, take her number
She can't say no to what it takes

A hot dog and a shake
That's what you're hungry for
A hot dog and a shake

I'm more that just a victim
Of a hungry heart
Kiss me quick, I'm double- parked

Just like any bowl of cherries
When the cream is risin' to the top
You find your real bottom line is when your
Spine snap crackie and pops, pal

Give me one to go
Hey buddy, take her number
She can't say no to what it takes

A hot dog and a shake
What are you hungry for?
A hot dog and a shake
Well, well, well

A hot dog and a shake
That's what you're hungry for
A hot dog and a shake
