I just want you baby
to be on my side
show me your sweet nature
act a little nice and kind

Cuase I made up my mind
I made up my mind
I made up my mind
That your the girl I want to be mine
Yes!

Oh listen to my story
before you send me away
please don't nail me baby
before you hear what I have to say

Cuase I made up my mind
I made up my mind,
yes I did
I made up my mind
that your the girl I want to be mine
oh yah!

No more tell you woman
To be so mad with me
I didn't do nothing
For you to treat me so eviley

Cuase I made up my mind
I made up my mind
I made up my mind
That your the girl I want to be mine
oh baby!

Oh listen to my story
before you send me away
please don't nail me baby
before you hear what I have to say

Cuase I made up my mind
I made up my mind
I made up my mind

That your the girl I want to be mine
yeah!

I just want you baby
to be on my side
show me your sweet nature
act a little nice and kind

I made up my mind
I made up my mind
I made up my mind, yes
I made up my mind
Yeeeeeaaahhh!
