Mercedes Benz
Combat boots
Junk food, brand new alligator shoes

Here comes, baby jet
In her brand new red-hot pink Humvee
Full of party girls with damaged lives
And tangled destinies

Well, this must be my favorite chorus
I find your manners more important
Than your morals

All this and more you see
You mean so much to me
Do I love you?
Indeedido

Cops and robbers, tough guy pimps
And bad girl boxers
White trash, lesbo, psycho bikes
Lipstick tricks and diesel dykes

Check it out, check it out
Without a doubt, without a doubt
I look into your eyes and dream
Of all of these, my favorite things

Well, this must be my favorite chorus
I find your manners more important
Than your morals

All this and more you see
You mean so much to me
Do I love you? Oh, honey
Indeedido

Well, this must be my favorite chorus
I find your manners more important
Than anything else

'Coz, honey, you're morals bore us

But do I love you? yeah, yeah
Indeedido, indeedido
