Knock, knock, daddy's home
Out where the west begins that's where we're goin'
Power slide ain't ya heard?
How fast you're willin' to go into a curve?

500 horses and a Chrysler mill
Makes me king of the hill
Guns and guitars, bikinis and fast cars
Slide behind the wheel, go

Back and forth, back and forth
Back and forth, sideways, upside down

I'm normally insolvent
It shouldn't cause a problem
With my hot pursuits

500 horses and a Chrysler mill
Makes me king of the hill
Guns and guitars, bikinis and fast cars
Slide behind the wheel, go

Go, why don't you shut up
Get in my pick-up
Hey where's your get up and go? Go, go

500 horses and a chrysler mill
Makes me king of the hill
Guns and guitars, bikinis and fast cars
Slide behind the wheel, go

Go, go
Go, go
