Talk about the high cost of lovin'  
I think I hear freedom drummin' it seems  
Give me your heart and I'll give you the stars  
"Yeah right", she says, "Maybe in your dreams"

Heat wave blast, kids are screamin'  
Pavement's hot sidewalk's steamin'  
Only me, happens every time  
Thinkin' 'bout you and me hello, goodbye

You can jazz it up or play it slow  
It's still the only song I know  
It's 2 a.m. and traffic's slow  
Another ladies' nite in Buffalo

I was listenin' to the DJ sayin'  
"Put the stone behind", he said  
Then the words can blow better, better  
I don't mind some stormy wheather  
Tonight, no I can feel it, the

Heat wave blast, kids are screamin'  
Pavement's hot sidewalk's steamin'  
Only me, happens every time  
Thinkin' 'bout you and me hello, goodbye

Put the top down, hit the road  
I sing the only song we know  
It's 2 a.m. the traffic's slow  
It looks like ladies' nite in Buffalo oh, baby

I got kinda sense of deja vu  
I could swear I've seen you somewhere before  
You don't think you've ever  
Seen me somewhere before, do you?  
So it must have been two other people

I know, baby, I say, I didn't wanna half drag you  
It's too far to drive back, baby  
I don't wanna drive alone tonight

You can jazz it up or play it slow

It's still the only song I know  
It's 2 a.m. and traffic's slow  
Another ladies' nite in Buffalo

Well it ain't much all right I know  
Oh it's the only song I know  
2 a.m. and the traffic's slow  
Another ladies' nite in Buffalo
