Empty pockets never stopped me from singing a blue  
streak, no  
And I don't think the Devil's ever gonna give me back, I  
don't think so  
'Cause stayin' 'round here takes patience, it's like a full  
time occupation  
I've become a diplomaniac, yes I did, baby

Hey mean old gal you know the cross-town bus just  
rolled  
Yeah, I'm the same old number but we still got time to  
go

Oh I say Mama, "Living ain't a luxury, no"  
Oh I say Mama, "And a little ain't enough for me"  
No it ain't, no it ain't baby

Yeah I'm believing that you're needin' your relaxation  
But honey tell me can you tell that story twice? I don't  
think so, Mama  
'Cause there's a function at the junction, I think ya  
better get it all ready girl  
See I was born without a silver spoon but I'm gonna  
make a stir, yes I am

Was vaccinated with a phonograph needle one  
summer break  
And then I kissed her on her Daddy's boat and shot  
across the lake  
And I was singin' it

Oh I say Mama, "Living ain't a luxury, no"  
Oh I say Mama, "And a little ain't enough for me, no"

Oh I say Mama, "Living ain't a luxury, no"  
Oh I say Mama, "And a little ain't enough for me"  
No it ain't baby, no it ain't

Mmm, said, "A little ain't enough, baby"  
Baby, please! Little ain't enough, yeah, wow

Was vaccinated with a phonograph needle one

summer break  
Same summer that I kissed her on her Daddy's boat  
And shot across the lake, yeah

Oh I say Mama, "Still living ain't a luxury  
Oh I say Mama, "A little ain't enough for me"  
Oh I say Mama, "Living ain't a luxury"  
Oh I say Mama, "And a little ain't enough for me"
