Too close to mommy
He grew up square
All the spine of a chocolate eclair
I can see clearly now
The rain has disappeared

Blind man follows
Blind man goes
Pencil weenie in elephant clothes
Got a steel toe
Says place but here

I got no taste
For second place
And I've lead with my face, well
I been places with my face
You wouldn't go
Without a pistol

Relentless
Look into my eyes
Relentless
I will not be denied

Change fumblin'
Heel rocker
El presidente
De chimichanga
Click my heels
And make a wish

Stop, stop
They gonna ask ya
You in the future
They're in the pasture
What the Asian call
All soup and no fish

I got no taste
For second place
And I've lead with my face, well
I been places with my face

You wouldn't go
Without a pistol

I'm relentless
Look into my eyes
Relentless
I will not be denied

I got no taste
For second place
And I've lead with my face, well
I been places with my face
You wouldn't go
Without a pistol

I'm relentless
Look into my eyes
Relentless
I will not be denied
Relentless
