David Lee Roth
"Shyboy"

On the stage, I'm in a rage
But you I never fool
Well I can rock with anyone
But never alone with you
Somethin' starts a barkin'
Now deep inside of me
I need a classy woman
To knock me off my feet

Shyboy, shyboy, shyboy, shyboy
Shyboy, shyboy, give it one more time boy
Shyboy, shyboy, shyboy, shyboy
Shyboy, shyboy, give it one more time boy

Oh, you make me nervous
More than I had planned
Would you wanna know me
If I wasn't in the band?
Crazy feelings
Deep inside of me
I need a wild woman
To knock me off my feet

Shyboy, shyboy, shyboy, shyboy
Shyboy, shyboy, give it one more time boy
Shyboy, shyboy, shyboy, shyboy
Shyboy, shyboy, give it one more time boy

Gotta keep things movin'
Till my personality starts improvin'

Shyboy, shyboy, shyboy, shyboy
Shyboy, shyboy, give it one more time boy
Shyboy, shyboy, shyboy, shyboy
Shyboy, shyboy, give it one more time boy

Gotta keep things movin'
Till my personality starts improvin'

Shyboy, shyboy, shyboy, shyboy
Shyboy, shyboy, give it one more time boy
Shyboy, shyboy, shyboy, shyboy

Shyboy, shyboy, give it one more time boy
