Well Iâ€™m tired of beâ€™n a fool
And my mind goes hot to cool
And Iâ€™m tryâ€™n to conform to otherâ€™s ideas
And somebody elseâ€™s rules

The life Iâ€™m livinâ€™ ainâ€™t mine
Iâ€™m supposed to feel thatâ€™s fine
I didnâ€™t make the world Iâ€™m livinâ€™ in
Ah- I ainâ€™t gonnaâ€™ tow the line

(PRE-CHORUS)

Iâ€™m tired of tryinâ€™ to be someone I know ainâ€™t me
Iâ€™m tired of livinâ€™ up to what people expect me to be
You know some people are different, now ainâ€™t that a
cryinâ€™ shame
Now wouldnâ€™t it be a real drag if we were all the
same?
And Iâ€™m not gonnaâ€™ try to please
Eyes that just donâ€™t see
If I get myself together

(CHORUS)

Well, youâ€™ll have the blues, not me

Wow, Go- Go- Here we go-
ah-wow- yeh

(PRE-CHORUS)

(CHORUS)

Youâ€™ll have the blues not me (4xâ€™s)
Not me baby
