*[Shaggy:]*

Uh it wasn't me...

*[Woman calling Shaggy:]*

I bet it wasn't it was your third leg, in between the other two

*[Shaggy:]*

Alright Woody, you and me we need to have a talk  
Cause your always gettin me in trouble right now this,  
this ain't funny

*[Verse 1: Shaggy]*

Why is it you always gotta be standin up  
Or rub a dub, your like what's up  
Have woman kissin on your head and stuff  
Why is it you never ever seem to have enough  
Why can't you ever go to bed and just chill?  
Actin all ill, showin off your skill  
Always tryin to make me go against my will  
Why is it you always up in someone's grill

*[Background Singers:]*

That playboy shit you did yesterday  
Won't you know I got busted anyway  
You went home and didn't feel her cat  
What kind of dumb shit is that?

*[Chorus: Shaggy]*

All I really wanted to do, was to get ahead in life  
To get ahead in life, that's all I really wanted to do,  
ooh  
All I really wanted to do, was to get ahead in life  
To get ahead in life, that's all I really wanted to do,  
ooh

*[Verse 2: Shaggy]*

Why you always gotta be the one to take the lead  
You wanna plant a seed, good thing I wore a shield  
You think without a brain you seem to like can't even  
read  
So why you think you have the right to tell me what I

need

Now I'm tryin to talk to you you hold your head in  
shame  
You sorry that you came, you think this is a game  
It seems to me that I'm the one that's always bein  
framed  
Cause everything you do guess who's the one to get  
the blame

*[Background Singers:]*

That playboy shit you did yesterday  
Won't you know I got busted anyway  
You went home and didn't feel her cat  
What kind of dumb shit is that?

*[Chorus: Shaggy]*

All I really wanted to do, was to get ahead in life  
To get ahead in life, that's all I really wanted to do,  
ooh  
All I really wanted to do, was to get ahead in life  
To get ahead in life, that's all I really wanted to do,  
ooh

*[Bridge: Woman calling Shaggy]*

You banged my friend, you pissed me off, you banged  
my friend, you boned  
All fuzzy, cheap punk, hello.....hello....you make me sick

*[Chorus: Shaggy]*

All I really wanted to do, was to get ahead in life  
To get ahead in life, that's all I really wanted to do,  
ooh  
All I really wanted to do, was to get ahead in life  
To get ahead in life, that's all I really wanted to do,  
ooh  
All I really wanted to do, was to get ahead in life  
To get ahead in life, that's all I really wanted to do,  
ooh  
All I really wanted to do, was to get ahead in life  
To get ahead in life, that's all I really wanted to do,  
ooh
