Girl, you're my angel, you're my darlin' angel
Closer than my peeps, You are to me, baby
Girl, you're my angel, you're my darlin' angel
Girl, you're my friend when I'm in need, lady

Life is on big party when you're still young
But who's gonna have your back when it's all done?
It's all good when you're little, you have pure fun
Can't be a fool son, what about the long run?
Looking back, shorty always mentoin
Said me not, givin'her much attention
She was there through my incarceration
I wanna show da nation, my appreciation

Girl, you're my angel, you're my darlin' angel
Closer than my peeps, you are to me, baby
Girl, you're my angel, you're my darlin' angel
Girl, You're my friend when I'm in need, lady

You're a queen and so you should be treated
Though you never got the lovin' that you needed
Should've left, but I called and you heeded
Begged and I pleaded, mission completed
Mama said, that I was the problem
Not the type to mess around with her emotion
But the feeling that I have for you is so strong
Been together so long, this cold never be wrong

Girl you're my angel, you're my darlin' angel
Closer than m peeps you are to me, baby
Girl you're my angel, you're my darlin' angel
Girl, you're my friend when I'm in need, lady

Girl, in spite of my behavior, say that I'm you're savior
You must be sent from up above
And you appear tome so tender, so girl i surrender
Thanks for givin' me you're love
Girl, in spite of my behavior, say that I'm you're savior
You must be sent from up above
And you appear to me so tender, yeah girl I surrender
Said thanks for givin' me you're love

*Girl you're my angel, you're my darlin' angel
