Mr. Lover, Mr. Lover, Mr. Lover
Uh, uh, well, sugar here's another one and another day

Move to this, let me see you jump and twist
Pump your fist 'cause you know it's hard to resist
As long you know you're rollin' with the love specialist
Feel the pow, let me put the groove in your hips

The night is young, so let's go roll with the fun
You got some gum, check it out, gimme some
'Cause I'm about to play an old girl like a drum
She shack attack, poor soul settle down

Girl, what you gon' do with all that body?
(Shake it up all night)
Careful with that thing before you hurt somebody
(Tell me what you like)
Do it, baby

Let's dance, let's shout
(Shout)
Shake your body down to the ground
Let's dance, let's shout
(Shout)
Shake your body down to the ground

Let's dance, let's shout
(Shout)
Shake your body down to the ground
Let's dance, let's shout
(Shout)

Gotta holla' to my fellas who be hangin' by the
bathroom door
Waitin' for the honeys dance in the dance floor
Push up and get the niggas y'all ready for the score
Now who's the dog? You're the one that sung hardcore

Come on I gotta take this part to a new high
Keep it tight, ain't got no time no fight
You wanna be a player, better know to do it right

Kissin' all the honeys under the disco light

Girl, what you gon' do with all that body?

(Shake it up all night)

Careful with that thing before you hurt somebody

(Tell me what you like)

Jerk chicken on the grill, so make the champagne pour

Girl, don't be a drag, I might show you the door
(What?)

I like to see bodies take and shake
Dressed in lace, uh, and a perfect shape
Girls local and out of state
I got a couple of them and I'm gettin' ready to mate
