Chica Bontia  
Shaggy  
(Hot Shot)

[hook]

What is cinco cervezas I really don't know  
But this pretty little senorita said it and I liked how it  
flowed  
What is venga mi casa I really don't know  
From the way that she smiled I could tell how the story  
would go

[chorus]

Chica bonita you pretty like a rose  
Mi senorita mi love how you a pose  
Dame un beso you hot and it shows  
Toca mi vida and everybody knows repeat

[verse]

Baby baby baby  
Tell me what you wanna do and where you wanna go  
Ain't no need to rush it baby we can take it slow  
I swear it must be cupid shooting arrows with his bow  
I notice in your eyes a certain glow  
Have me wondering now  
Is it really me or tell me do you feel the same  
I feel like I'm in love and I don't even know your name  
I know what I am saying to you may sound pretty lame  
Your love is like an everlasting flame

[hook chorus]

[verse]

Lovely lady would you  
Please give me a signal so I know you understand  
Maybe I should start by making gestures with my hand  
Girl you're like a rising star and I'm your biggest fan

My sweet bonita diva with the tan  
Got me thinking baby  
We could make a life together on the ocean shore  
Paradise is where you are I'm ready to explore  
Can never get enough of you it's all about amour  
And happiness is knocking at your door [hook chorus]
