Dem gal bwoy see mi, see deh, see dem
Sly and Robbie

Ay, ay, ay, ay, ay, ay, ay, ay, ay, yes
Ay, ay, ay, ay, ay, ay, ay, ay, ay, yo
Bong biddy bong, bong diddy bong, bong biddy bang,
hey
Ay, ay, ay, ay, ay, ay, ay, ay, ay, well

Who can make the girls flock?
(Who can make them girls flock?)
Who can turn them on?
(And a who can turn you on?)

No other man inna this a island, only Mr. Lover can
(That's right, that's right, sing ladies)

Who can make them clothes drop?
(And make them clothes drop)
Anytime he wants
(Badda ding, badda ding)

No other man inna this a island, only Mr. Lover can
(Yo, yo, yo)

Talk 'bout di lovin' and di huggin' and di squeeze
I'm Mr. Lover and my aim is to please
Highly recommended satisfaction guaranteed
At ease, I can work yuh body till yuh weeze

Uh, well, who can keep yuh moist?
(Mr. Lover)
Ladies tell mi who's yuh first choice?
(Mr. Lover)

Who bring out yuh high pitch voice?
(Mr. Lover)
Well, I'm yuh man so baby sing along
So ladies come again

Who can make the girls flock?
(Who can make them girls flock?)

Who can turn them on?
(And a who can turn them on?)

No other man inna this a island, only Mr. Lover can
(That's right, come on)

Who can make them clothes drop?
(And make them clothes drop)
Anytime he wants
(Ziggy ding, ziggy ding)

No other man inna this a island, only Mr. Lover can
(Yeah, yeah)

I'm like a breath of fresh air, I'm yuh island breeze
Much more addicted than your shopping sprees
Like the feel of fresh leather, pairs to Bentley keys
Please, have yourself a couple of hundred G's

Well, who can treat you right?
(Mr. Lover)
Who can make you sweat through the night?
(Mr. Lover)

Mek yuh fly high like a kite
(Mr. Lover)
Oh well, I'm your man so baby sing along
Go tell your friend again

Who can make the girls flock?
(Who can make them girls flock?)
Who can turn them on?
(Well, a who can turn you on?)

No other man inna this a island, only Mr. Lover can
(That's right, girl)

Who can make them clothes drop?
(And make them clothes drop)
Anytime he wants
(Eh, eh)

No other man inna this a island, only Mr. Lover can
