Them say, "Money is the root of all evil"
But a no money
Some people a kill people little like nothin'
Some say them a gangster but a studio gangster

Well now a gun shot lick and a marrow it fly
Little youth with the forty five and him say do or die
Now him muma she cry water run from her eye
And she remember when him was little bit and oh so shy

Forgive them Father 'cause they know not what they
have done
To save them from destruction, gave his only begotten
Son
Like them no understand say revelation a come
So watch the heathen them a run

Too much fuss and fight and that is not right
You no can't blow breath in a man but still that you want
take life
Innocent youth die, bury a next guy
And him muma wool her belly and ask God why?
Well no ask me no question I tell you no lie
It's about time the world start to realize
This a revelation an' it's a serious time
Put your a hand inna the air and pray to the most high

Forgive them Father 'cause they know not what they
have done
To save them from destruction, gave his only begotten
Son
Like them no understand say revelation a come
So watch the heathen them a run
Cha

Youth man a beg and you fi put down your gun
Me no want fi see another youth tumble down
This is reality no play dumb, dumb
Some a them a thing 'bout dollars having a large sum
Money is the root of all evil if so me no want none
Wicked man them a heathen fi them fire burn

Whole a them shall perish inna the wicked kingdom
This is Shaggy one of, hmm jah jah son
