[Verse]

High heels gosh you look sexy  
I'd steal a touch if you let me  
I'm just dyin' to kick it with you girl  
Hey boo show me you're ready  
Lips looking juicy like cherry  
I can almost taste your flavor girl

[hook]

But it seems like you're the wrong type  
Don't you ever get upset girl I'd like to see you sweat  
It just feels like you're too uptight  
Girl you're too conservative and that ain't how I wanna  
live

[chorus]

I wanna a freaky girl somebody just like me  
Someone who understands just what a player needs  
Ain't with those perfect girls that shit don't click with me  
A very naughty girl that's what I need

[verse]

Handcuffs can you get freaky  
How far will you go to please me  
Whips and chains girl are you down with that  
Strange places searching for pleasure  
I want you to meet me wherever  
Wearing just an overcoat and hat

[hook]

Or was I right you're the wrong type  
You don't ever get upset I ain't never seen you sweat  
It just feels like you're too uptight  
Girl you're too conservative and that ain't how I wanna  
live

[chorus]

Want a girl fi love mi up hug mi up give it to me right  
Swing from me shower curtain and from mi light  
Hot piece of loving cerry me right through the night  
I can't take the pressure when you put pan mi haa  
Well me love it when you ride pan me haa  
Really love it when you climb pam me haa  
Cause me know you naw go hide from me haa Freaky
