(Oh no oh oh)

Ladies lift your glasses

(Oh no oh oh)

And toast yourselves

(sweet)

(oh ra ay oh)

It's a dedication

(oh ya ah oh)

Barington Levy

(oh ah oh)

SHAGGY!

I love to see the ladies take full control (uh)

Independant woman don't depend on a soul (that's right)

Confidential the fact that she has her own (uh uh)

No body has to tell her how to play her role (oh ya)
I'm talking all the honeys to my left
Sophisticated ladies are the one who set the trends
Ladies who don't hang around with no progressive friends

They don't have no time to play a silly game

Shallow mans are all the same

Not because they pour the drinks it means they're
gettin laid
All the fellas who get played
Show her some respect and maybe wouldn't have been

played

Yo - Now you're looking kinda dumb, I bet this pants are tiresome

I love to see the ladies take full control (love it ...)

Independant woman don't depend on a soul (no depend on nobody, see)

Confidential the fact that she has her own (...)

No body has to tell her how to play her role (sweet)

(say what)Beep Beep, dude's pager going off

Car keys spinnin on his finger showin off

Bet he thinks all the hyper love the latest stuff

It takes more than flashiness for home girl to be impressed

Ladies want be be adored

Ladies want a real man to keep them reassured

Forget about the cash she wants a heart to be secured

He's not gonna sacrifie the ..., can't hang with step aside

I love to see the ladies take full control (...)(oh ay oh ay oh)

Independant woman don't depend on a soul (...)(sweet)

Confidential the fact that she has her own (uh mm)(...)

No body has to tell her how to play her role (Tell em Barrington)(sweet)

She's alright (She's alright)

It don't matter what you want to offer her because she's been around the world

You're so right (You're so right)

Bet your thinking that she's confidential women but she's an independent girl

She's alright (She's alright)

It don't matter what you want to offer her because she's been around the world
