Ya ya man, I just got my hair braided
Car waxed, put on my player face
It's 12 o'clock, its time to get it on
Hey yo chaka

Midnight to fair I'm seemin', squeemin'
Armed with the franklin's wheelin' dealin'
Got a damsel I'm peepin', not for the keepin'
Ah oh pagers beepin'

When I'm out there seekin', creepin'
Chicken heads weak and your girl I be freakin'
Since your man, he be sleepin'
Girl stop your weepin'
Later we be raisin' the ceilin'

Oh I get my party on
Until the early morn
I get my party on
We gonna party till the break of dawn

Mommy with the thick thighs
Curvy on the hips
Gotta broad tongue type
Baby you the sh
Here to give a good time
Pickin' up your corsage
Later in the pulmaride
Your the players pick

Rollin' with the big dogs
Hangin' with my clique
Punk you betta think twice
You don't wanna trip
Put away your pistols
Sip up on this crystal
Catch up on the in style
Watch em hunnies there

Oh, I get my party on
Until the early morn
I get my party on

We gonna party till the break of dawn

Yo hot chicks and fish net stockin's
Fake breast and tummy tuckin'
Low rider jeans are rockin'
Knows who the dudes be cockin'
Hot cars and roads be block n'
We ball so girls be flockin'
A lot a cherries poppin'
Upstairs where boots be knockin'

Hoo, I get my party on
Until the early morn
I get my party on
We gonna party till the break of dawn

So come on and party with me
Ain't no better place you could be
When we come, stop the party
Can't nobody do it like me

So come on and party with me
Ain't no better place you could be
Loosen up and set yourself free
Take a chance right here, you'll see

Midnight to fair I'm seemin', squeemin'
Armed with the franklin's wheelin', dealin'
Got a damsel I'm peepin', not for the keepin'
Ah oh, pagers beepin'

When I'm out there seekin', creepin'
Chicken heads weak and your girl I be freakin'
Since your man, he be sleepin'
Girl stop your weepin'
Later we be raisin' the ceilin'

Oh, I get my party on
Until the early morn
I get my party on
We gonna party till the break of dawn

Hoo, I get my party on
Until the early morn
I get my party on
We gonna party till the break of dawn

Ohh, don't you wanna party with me
All night long
Uh huh huh
Uh huh huh

Wanna party babe?
Yes you will
Have a little fun
Yea ya
Don't you wanna have some fun
Come on in
Come on in
Oh, baby yea
Party, yea yea
I wanna party tonight
Gonna party all night long
All night long!
